# INVITATION

On behalf of the Local Organising Committee I invite you to support the 19th International Zeolite Conference (IZC'19) to be held in Perth Western Australia on 7-12 July 2019.

The 19th IZC gathers "zeolite people", e.g. young students, early- and mid-career researchers, industry practitioners and colleagues, from all of over the world to Perth to showcase the most recent scientific and technological advances in zeolite. In view of the success of the past 18 Zeolite Conferences, we particularly focus on the recent developments in synthesis, characterisation, computational and theoretical aspects, and related investigations. Porous materials, ranging from natural to synthesised zeolites, and metal organic frameworks, will be employed in adsorption and catalysis, biomaterials and engineering applications, and other novel applications.

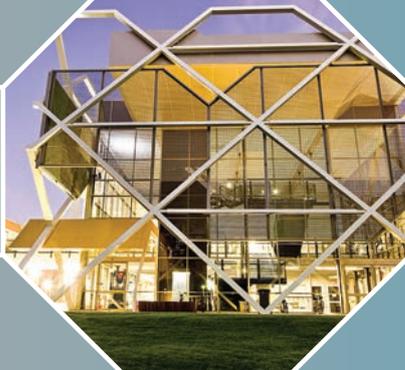

Sponsorship offers a great return on your investment and gives you a chance to achieve several goals at once. IZC'19 provides an opportunity for you to engage with key decision makers and demonstrate your products and services. This is your chance to shine and showcase your organisation and be seen as a force in the industry.

We look forward to hosting you in July 2019.

**John Curtin Distinguished Professor Moses Oludayo Tade**

Chair Local Organising Committee, IZC'19

Deputy Pro Vice Chancellor, Faculty of Science and Engineering

# WHY BE INVOLVED?

Some of the opportunities you will gain by sponsoring the IZC'19 include:

## HEIGHTENED VISIBILITY

By becoming a sponsor, you will have significant exposure prior to the event through the IZC'19 website and conference marketing materials. There is no better way to position your organisation to more than 500 delegates from across the globe.

## ENHANCED IMAGE

If you want to improve how you are perceived in the sector and raise your profile, sponsoring an event that appeals to this target audience is likely to shape attitudes and help generate a positive reaction. As a sponsor at the IZC'19, you will have the chance to enhance your organisation's reputation as an industry supporter. IZC'19 also will allow your organisation to stay up to date with current developments in the field and help with your competitive advantage.

## SALES GROWTH

Sponsorship geared to driving sales can be a potent promotional tool – it allows you to showcase your products and/or services and get immediate client feedback. During the IZC'19 you have the opportunity to promote your product and/or service through a number of different channels to influential decision makers, and have a chance to develop relationships with new customers. Face to face engagement is the key to building strong business relationships and the venue and opportunities afforded provide the platform for you to grow these.

## STAND OUT FROM THE CROWD

Sponsoring the IZC'19 provides a significant way to create competitor differentiation. By coming on board at the IZC'19, you will stand out above the rest of the market place. Face to face engagement is a top priority.

## MAXIMISE YOUR TIME, ENGAGE YOUR TEAM

The ability to showcase your product and/or service to so many influential delegates under the one roof maximises your team's time and effectiveness. The IZC'19 provides the opportunity to bring your sales team from across the globe together and share ideas and thoughts with each other. Why not consider an international national team meeting being held pre or post the IZC'19 to embrace this opportunity?
